Hi Carolyn -

So great to meet you a couple weeks ago at the West Coast Urban District Forum. Our panel was a success, and the venue was just beautiful. Thanks so much for making it all happen.

I've copied Jessica Lall and Nick Griffin here to get the conversation going about having IDA in L.A. for the 2019 conference. We'd of course love to have it in Downtown, since there'll be a few more hotels coming online in addition to the current offerings we already have. Plenty of options to choose from.

I'll see you again soon,
